Mother's Day pop-up card

Kids, ask a grown-up to help with scissors!

Instructions:

1. Cut out the Dr. Lobe piece (page 1) along the dotted lines.
2. Fold the card (page 2) into quarters along the solid lines to create a half-fold card.
3. Carefully cut slits along the dotted lines at the top and bottom of the train puzzle.
4. Slide the Dr. Lobe piece into the top slit, then tape or glue the bottom tab to the back of the paper.
5. Make a mountain fold so that Dr. Lobe pop outs when the card opens.
6. You can write a special message on the blank note inside the card!
